

2022 Mannington District Fair Pre-Teen, Teen & Queen
Contract of Obligations

Name: _____

I hereby agree to the following terms of agreement to adhere to throughout my reign as Mannington District Fair Pre-Teen, Teen or Queen.

I agree to participate in many of the social functions that are held in the Mannington Community. I will dress appropriately for each event and represent the community of Mannington to the best of my ability with kindness and respect for others. I will work with my pageant director on a schedule of activities throughout the area that I will attend to promote the fair. Should there be a scheduling conflict, and I am unable to attend, I will notify my directors immediately to discuss a resolution to said conflict.

I agree that I will not post inappropriate materials on any social media sites. Should something inappropriate be found on my social media, I understand that ONE (1) request will be made to remove the said inappropriate material from my site. Should the said material not be deleted from my site I understand that I could be placed on an Active Plan of Action and will discuss how to best resolve this issue with my pageant director. I understand and agree that should I have 2 (TWO) requests to remove inappropriate material from my page, a meeting will be arranged between my director, parents, and myself to discuss how to best resolve this issue. I also understand and agree that I may have to forfeit my title should this problem occur.

By signing this agreement, I understand fully to the terms listed above and agree to the terms noted. I have voiced any and all concerns or questions regarding this agreement and they have been answered and addressed to my satisfaction.
